During the past decade, the West Virginia University women's soccer team has established itself as one of the best in the nation. The 90 Minute Club has enabled the Women's Soccer program to continue this success and compete for national prominence.

The 90 Minute Club is a women's soccer-specific program designed to raise money for program enhancement. The club is named to honor the 90 minutes of outstanding effort given each and every game by your women's soccer players.

All members of the 90 Minute Club receive quarterly newsletters and a signed poster. Members who join at higher levels can also receive a women's soccer magnet, media guide, head shot of their favorite player, an apparel item and banquet invitations for two.

External support is absolutely vital for the Mountaineers to remain successful and compete for Big 12 Conference and NCAA championships. Your membership will ensure our program's success during competition and recruiting on the national stage.

All 90 Minute Club gifts received in the current giving year are awarded two (2) priority points for every \$100 received. All gifts are processed and received by the WVU Foundation, Inc.
