A new era has arrived for the West Virginia University Gymnastics program. Under the direction of new head coach Jason Butts, the program will look to raise the bar in order to compete for conference championships and national prominence. The 10.0 Club supports the WVU Gymnastics program and ensures our program's success in the future.

The 10.0 Club is a gymnastics-specific program designed to generate enthusiasm and raise money for program enhancement. The club is named to honor the perfect score of 10.0 which is awarded to a perfectly performed routine in competition.

External support is absolutely vital for the Mountaineers to be successful in the Big 12 Conference and NCAA levels. All funds in support of the 10.0 Club will provide the necessary resources for Coach Butts and his staff to recruit top tier gymnastics student-athletes to WVU. Your membership will ensure our program's success during competition and recruiting on the national stage in the future.

All 10.0 Club gifts received in the current giving year are awarded two (2) priority points for every \$100 received. All gifts are processed and receipted by the WVU Foundation, Inc.
